REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At E.B. Morse Elementary School, our mission is to create a community of learners who are responsible and productive citizens. We provide educational experiences for the whole child. It is our goal to motivate, empower, and support students to accomplish individual goals within rigorous curricula. The staff at E.B. Morse Elementary School continues to strive to improve the academic achievement for all students. We live by our motto, “Putting Children First--Everyday in Every way”. It is our goal to lead students toward becoming disciplined, productive, informed, and fulfilled individuals who are prepared to meet the challenges that equip them for college and career readiness.

The faculty and staff at E.B. Morse Elementary believe that learning has no boundaries. Our warm and inviting school serves 4K-5th grade students. We offer a choice of Montessori education for all grade levels. Our theme, “Wild About Learning”, set the tone for a wide array of learning opportunities and explorations for our students. We have been designated as a 2013-2014 Palmetto Silver Award recipient for closing the achievemnt gap. The faculty and staff work diligently to provide innovative teaching strategies and standards-based instruction to ensure that our students acquire the skills needed to grow to greater academic heights. During the 2013-2014 school year, we employed Reading Tutors to support reading development.

Students received acceleration and remediation throughout the school day, during Mustang Enrichment time, and in our afterschool tutoring programs. Technology continues to be a focus at E.B. Morse Elementary. We increased the number of iPads throughout the school. In addition, we had a Young Men's Empowerment mentoring program. Our primary focus is meeting the individual needs of our students in a safe and nurturing environment. Data analysis and differentiated instruction have been and will continue to be a focus, as we strive for continued growth and academic success for each student.

We recognize that education is a team effort. Our dedicated PTO, School Improvement Council, volunteers, parents, community members, and business partners continuously provide many contributions of time, resources, and support. Please continue to partner with us as we continue to strive for academic excellence. We had a great 2013-2014 school year. We thank everyone who made this a wonderful year, and look forward to greater achievements in the future. E.B. Morse Elementary is a very special place to learn and grow!

Sincerely,
